MINUTES OF THE ANTI-RAGGING COMMITTEE

The first Meeting of the Anti-Ragging Committee constituted for the academic session 2025-2026 was held on 10-07-2025 at 10:00am under the. Members took an active part in the discussion and recommended the following:

Item No. 1:

The college Authority is well versed with UGC Regulations from time to time and accordingly, regulates in the reconstructions of the Anti-Ragging Committee as well for each academic year.

Item No. 2:

Our Principal allotted each criterion to the Anti-Ragging Committee members. Committee members discussed about the fresher's day celebration and the schedule was fixed in the meeting the main motto of the event is to maintain the friendly relationship among first year and second year student teachers

Item No. 3:

Regarding measures taken for eradicating the menace of ragging in the college, it was decided by the members that, ragging should be monitored closely be encouraged to pursue their education without any fear and difficulties

Item No.4:

Matters relating to complaint- since there is no single matter of complaint either from the student's or from the members of staff during the session, which reflects a ragging free campus. Since there were no other matter to discuss, the meeting ended with a vote of thanks and regard to all the members present.

INSTITUTION INDUSTRY CELL

COMMITTEE MEMBERS:

S.NO	Name of the staff	Designation & Department	Status
1.	Mr. J Sai Baba	Principal	Chairman
2.	Mr.M.Chandra Mohan	HOD in DEEE	Co-ordinator
3.	Mr.T.Raj Kiran	Lecturer in DCM	Member
4.	Mr. K. Eswar Reddy	Lecturer in Physics	Member
5.	Mr. L.B. Koti Reddy	Lecturer in DME	Member
6.	Mr.K.Srineevasulu	Lecturer in English	Member

Functions of IIC (INSTITUTION INDUSTRY CELL COMMITTEE):

The institute has set up an Industry-Institute Partnership Cell with the following objectives:

- Bridging the gap between Industry-Institute by interactive programs
- Promoting a partnership approach towards mobilizing industrial personnel.
- To arrange for students' industrial visit.
- Organizing seminars, symposium, exhibitions and workshops both for faculties and Students in cutting edge technologies to cater to the current need of the industry.
- To arrange industrial training for students and faculty members.
- To identify the opportunities for student project work in Industries.
- To encourage the department level tie-ups or MoUs with Industries for the mutual benefit.
- To promote consultancy activities and research and developmental activities with industry.
- To enrich the teaching learning process through identified industrial gap.
- To invite industry experts for guest lectures, seminars Brain-storming sessions and expertise sharing

Roles & Responsibilities of the Committee Members:

- To initiate different collaboration with industries at institute level by identifying the industrial expectation and promoting institutional preparation for meeting industrial needs by facilitating project work, seminars, workshops and various other industrial training programmers.
- To identify the gap in the curriculum keeping in mind the Program Specific Outcome of their respective department and cater to them by initiating different events, workshop, industry visit etc. in collaboration with different industries

Institution - Industry Cell Impact Analysis:

- Webinars helps in bridging the gap between Industry and Academia and thus providing the industrial and practical knowledge to the students on recent trends in Industries.
- Students got the opportunity to work in an Industrial Project
- The effectiveness of this practice can be gauged by the great response of the participants Of the workshops.
- Students picked up what they learnt at the workshops to implement their own mini project and also final year projects.
- Industrial Visits has been organized to give the students an elaborate exposure towards the industry need in recent times.

MINUTES OF THE ANTI- RAGGING COMMITTEE

The first Meeting of the Anti-Ragging Committee constituted for the academic session 2025-2026 was held on 10-07-2025 at 10:00am under the. Members took an active part in the discussion and recommended the following:

Item No. 1:

The college Authority is well versed with UGC Regulations from time to time and accordingly, regulates in the reconstructions of the Anti-Ragging Committee as well for each academic year.

Item No. 2:

Our Principal allotted each criterion to the Anti- Ragging Committee members. Committee members discussed about the fresher's day celebration and the schedule was fixed in the meeting the main motto of the event is to maintain the friendly relationship among first year and second year student teachers

Item No. 3:

Regarding measures taken for eradicating the menace of ragging in the college, it was decided by the members that, ragging should be monitored closely be encouraged to pursue their education without any fear and difficulties

Item No.4:

Matters relating to complaint- since there is no single matter of complaint either from the student's or from the members of staff during the session, which reflects a ragging free campus. Since there were no other matter to discuss, the meeting ended with a vote of thanks and regard to all the members present.

Government of Andhra Pradesh
A.P. State Disaster Response and Fire Services Department
Fire No Objection Certificate for Occupancy

File No: 24126/PRK/MSB/2024

Date: 12/12/2024

Sir/Madam,

Sub: Andhra Pradesh State Disaster Response and Fire Services Department - Issue of Fire No Objection Certificate for Occupancy to the existing building of (S V K P KALASALA COMMITTEE) Ravuri Kasi Ranga Janardhana Rao, Cumbum, Prakasam District, Andhra Pradesh-523333 - Regarding.

Ref: Online Application Dt. 08-12-2024

Having satisfied with the reasonable fire safety measures that you have affirmed to have undertaken in your School/College buildings. I hereby grant Occupancy Fire NOC for a period of One year given.

1. Ensured two exits for orderly evacuation of teachers, students and staff in case of any fire incident or emergency.
2. Conducted Mock Drill @ twice a year with participation of teachers, students and preferably in presence some of the parents. And took signatures of staff, teachers, parents, student leaders affirming their familiarity with the equipment and its functioning.

3. Ensured Electrical Safety by observing the following Precautions:

- a. Installation of Miniature Circuit Breakers (MCBs) in all floors.
- b. No Overloading of power sockets in any Educational Building.
- c. 10 years old wiring to be changed, especially where high power consuming appliances such as Air conditioners, Electrical/Mechanical/Computer labs, Data Centers, High-tech labs, X-ray rooms in Medical Colleges, etc., are used.
- d. Grounding/Earthing shall be done.
- e. Lightening conductors may be provided for high-rise buildings exceeding 5 floors.
- f. No High Tension Lines should run inside or in close proximity (< 6 meters) to any Educational institution buildings.
- g. No charging for EV vechiles @ cellars of School/College buildings.

Let the above be tested and certified by any electrical Engineer without regard to any Jurisdiction under employment of Government of Andhra Pradesh once a year.

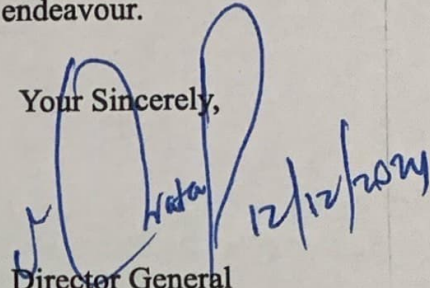

4. As the ensuring safety is a continuous learning process, we will advise from time to time, practical , modern , reliable but not too hard or that require major modifications to your building structure. And you shall undertake to observe these precautions to enhance fire safety.
5. As a Policy, no retrospective application of rules shall be made for building as long as they comply with that NOC requirements till the life of the building.

6. Any clarifications, you are welcome to meet the DG, Fire Services (9441236448) without appointment in his office as ensuring fire safety with better and affordable technology is a continuous learning and collaborative endeavour.

TEACHERS TRAINING POLICY

FRESHER INDUCTION PROGRAM:

A new faculty member who completes his / her studies in a timely manner from any technical institution and joins in our polytechnic college needs basic training, he / she is required to provide quality outputs in the short run so that they lead to meaningful outcomes for the discipline in the medium duration which in turn a valuable impact for the institutions in the long duration. Therefore, the faculty member is required to plan the efforts and their directions to make the academic carrier meaningful.

- Faculty induction programme (FIP) has to be implemented just after recruitment of fresh teachers.
- He/she has to keep abreast with the latest Anna University syllabus in his subject.
- New faculty members are trained to develop the art of preparing a systematic lesson plan and effective classroom interaction developing competence in communication skill in various models relevant to technical problems.
- Training in human values through an appropriate process of self-exploration happened to be, by for the most important component of the training of fresh teachers.
- A teacher also has to learn the knack of continuous knowledge updating and lifelong learning.
- Apply the concepts, principles, and process of instructions and learning to ensure effective implementation of the curriculum.
- Demonstrate ethical and responsible, professional behaviour in the performance of his duties and rules.
- Also at successive stages of teaching career, training inputs about curricular development, infrastructure development, Institutional development, disciplinary and other important aspects of educational administration and policy formulation etc., will also be needed.
- To monitor, facilitate and successfully improve the quality of training by proposing to develop suitable resource person's resource material and carrying out action research.
- Continuous updating of technical subject expertise by making mandatory, the successful completion of at least one subject course offer through technology based means every year from anywhere in the world.
- Basic understanding of the teaching – learning process.
- Training in preparing a systematic lesson plan and effective classroom interaction.
- Guided exposure to good teaching practice and lab development.
- Teaching in miscellaneous expects other than teaching such as administrative procedure, financial procedure and legal implication etc.,
- A fresher is required to attend two seminar / workshop / conferences in an academic year.

Establishment of 24 x 7 women helping number and security in the campus for providing safety to students and female faculty and non teaching faculty

Establishment of 24 x 7 Women Helpline Number: 08406:232260/9912342034 As required by AICTE, SVKP has established 24x7 women helpline number and a security system in the campus for providing safety to students and female faculty and non-teaching faculty by constituting the Women Helpline Committee (WHC). This is in compliance with the AICTE which being statutory in nature, are binding on Technical Institutions. In this direction, the Institution has set up WHC. Before this, matters of this nature were dealt directly by the administration through need-based committees headed by the senior most faculty members. Nature of Cases/Women Issues:

Actions to be initiated: Call for counseling, Advice to approach the concerned authorities, Quick relief to the victim, Conduct an enquiry and to take appropriate action, etc.

Women Helpline Committee:

Establishment of platform or hiring counsellors for seeking help and guidance w.r.t psychological counselling related to Mental Health for Students, faculty and nonteaching faculty Objectives of Mentoring

2025-2026

Recognizing the importance of mental health and well-being among its students, faculty, and non-teaching staff, SRI VASAVI KANYAKA PARAMESWARI POLYTECHNIC, CUMBUM (SVKP) has established a platform for hiring counselors to provide assistance, guidance, and psychological counseling services. Here's a detailed overview of this initiative

1. Establishment of Counseling Services Platform: SVKP has set up a dedicated platform for hiring counselors, either through internal recruitment or external agencies, to offer psychological counseling services to students, faculty, and non-teaching staff. This platform serves as a centralized resource for accessing mental health support and guidance within the college community

2. Access to Professional Counselors: The counseling services platform provides access to qualified and experienced counselors who specialize in addressing various mental health concerns, including stress, anxiety, depression, academic pressures, interpersonal conflicts, and other psychological challenges commonly faced by individuals in academic environments. These counselors may include clinical psychologists, counseling psychologists, psychotherapists, or licensed mental health professionals who are trained to provide confidential and non-judgmental support to individuals seeking assistance.

3. Availability of Counseling Sessions: Counseling sessions are made available to students, faculty, and non-teaching staff on a scheduled basis, either through in-person consultations or virtual appointments. The counseling platform ensures flexibility in scheduling sessions to accommodate the diverse needs and preferences of individuals seeking support.

4. Confidentiality and Privacy: SVKP prioritizes confidentiality and privacy in its counseling services, ensuring that all interactions between counselors and individuals seeking assistance are kept confidential and conducted in a safe and supportive environment. Counselors adhere to professional ethics and confidentiality standards to protect the privacy and confidentiality of clients' personal information and discussions.

5. Support for Mental Health Issues: The counselors deployed through the counseling services platform offer support and guidance for a wide range of mental health issues and concerns. This includes providing coping strategies, stress management techniques, relaxation exercises, and psychoeducation on mental health topics to help individuals better understand and manage their mental health and well-being. Counselors may also facilitate referrals to external mental health professionals or specialized services for individuals requiring more intensive or specialized treatment for mental health conditions.

6. Promotion of Mental Health Awareness: SVKP actively promotes mental health awareness and stigmatization through its counseling services platform. The institution organizes awareness campaigns, workshops, seminars, and guest lectures on mental health topics to educate the college community about the importance of mental health, self-care practices, and available support resources

7. Collaboration with External Agencies: SVKP collaborates with external mental health organizations, counseling centers, hospitals, or community-based organizations to enhance the scope and effectiveness of its counseling services platform. Partnerships with external agencies may facilitate access to specialized expertise, resources, and referral networks for individuals requiring additional support or intervention.

8. Continuous Monitoring and Evaluation: The effectiveness of SVKPs counseling services platform is continuously monitored and evaluated to assess its impact on the mental health and well-being of students, faculty, and staff. Feedback mechanisms, satisfaction surveys, and outcome evaluations are utilized to gauge the quality of counseling services, identify areas for improvement, and enhance service delivery.

In summary, RGCET's establishment of a counseling services platform for hiring counselors underscores its commitment to promoting mental health and well-being within the college community. By providing access to professional counseling support, the institution empowers individuals to address mental health challenges, build resilience, and thrive academically and personally in a supportive and inclusive environment.

Language Laboratory (for institutions having Diploma and Degree Programs)

The Language Laboratory at Sri Vasavi Kanyaka Parameswari (SVKP) is a specialized facility designed to enhance students' proficiency in various languages, particularly English, which is essential for academic, professional, and interpersonal communication in today's globalized world. Here's a detailed overview of the Language Laboratory at SVKP:

1. Purpose and Objectives:

The primary purpose of the Language Laboratory is to provide students with a conducive environment for language learning and skill development. The laboratory aims to improve students' listening, speaking, reading, and writing skills in English and other languages relevant to their academic and professional pursuits.

The objectives of the Language Laboratory include:

1. Enhancing students' communication skills and fluency in spoken and written English.
2. Improving students' pronunciation, intonation, and accent through audio-visual aids and interactive exercises.
3. Developing students' vocabulary, grammar, and comprehension abilities in both general and technical contexts.
4. Facilitating language learning through immersive and interactive learning experiences that simulate real-world communication scenarios.

2. Infrastructure and Facilities:

The Language Laboratory at SVKP is equipped with state-of-the-art audio-visual technology, multimedia resources, and interactive learning tools to support language instruction and practice.

The laboratory features individual workstations or computer terminals equipped with headphones, microphones, and multimedia software for self-paced language learning and practice. Audio-visual materials, including audio recordings, video lessons, language tutorials, and interactive software programs, are available for students to engage with and enhance their language skills. The laboratory may also include a central control console or instructor station from which the language instructor can monitor and manage students' activities, deliver instructions, and facilitate interactive exercises and assessments.

3. Language Learning Software and Resources:

SVKP provides access to a wide range of language learning software and digital resources tailored to students' proficiency levels and learning objectives.

Interactive language learning software may include tutorials, exercises, quizzes, games, simulations, and multimedia presentations that engage students in active learning and practice.

Digital resources such as e-books, audio recordings, podcasts, online articles, and language learning websites are available for self-study and supplemental learning outside the laboratory.

4. Curriculum Integration:

The Language Laboratory is integrated into the academic curriculum at SVKP to complement classroom instruction and reinforce language learning objectives across diploma and degree programs. Language laboratory sessions may be incorporated into language courses, communication skills modules, or interdisciplinary courses where language proficiency is essential for academic success and professional development. Language instructors collaborate with subject matter experts and faculty members to align language learning activities with the specific language requirements and learning outcomes of students' respective academic disciplines.

5. Interactive Language Learning Activities:

The Language Laboratory offers a variety of interactive language learning activities designed to engage students in active learning and practice.

Activities may include:

Listening comprehension exercises: Students listen to audio recordings or multimedia presentations and respond to comprehension questions or prompts.

Speaking practice sessions: Students engage in oral presentations, role-plays, debates, discussions, and pronunciation drills to improve their speaking skills and fluency.

Reading comprehension tasks: Students read and analyze written texts, articles, passages, and academic materials to develop reading comprehension strategies and vocabulary.

Writing practice assignments: Students write essays, reports, summaries, emails, and other written assignments to develop their writing skills, grammar, and vocabulary. Interactive language learning activities are designed to accommodate students' diverse learning styles, preferences, and proficiency levels, allowing for personalized and differentiated instruction.

6. Assessment and Feedback:

The Language Laboratory facilitates language assessment and feedback mechanisms to monitor students' progress and proficiency levels. Language instructors may administer formative and summative assessments, quizzes, tests, and speaking tasks to evaluate students' language skills and performance. Feedback on students' language proficiency, pronunciation, and grammar, vocabulary and communication skills is provided through individualized feedback sessions, self-assessment tools, and performance evaluations.

7. Continuous Improvement and Professional Development:

SVKP is committed to continuously enhancing the effectiveness and efficiency of the Language Laboratory through ongoing evaluation, feedback, and professional development initiatives.

Language instructors participate in training workshops, seminars, conferences, and professional development programs to stay abreast of best practices in language teaching, technology integration, and pedagogical innovation.

Feedback from students, faculty, and stakeholders is solicited and incorporated into the planning and improvement of language learning resources, activities, and curriculum integration strategies.

In summary, the Language Laboratory at SVKP serves as a dynamic and interactive learning environment where students can enhance their language proficiency, communication skills, and cultural competence. Through its comprehensive infrastructure, innovative teaching methodologies, and curriculum integration, the Language Laboratory supports students' academic success, professional development, and global citizenship in an increasingly interconnected world.

INSTITUTION'S INNOVATION CELL (IIC) A.Y: 2025-2026

ABOUT IIC:

Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes.

MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs was established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

The main aim of this Cell is, thus, to create intuition in terms of creative design ideas in various fields of engineering in an aesthetic approach. Innovation Cell will assist students and also encourage young talented minds by providing them a perfect platform for showcasing their talents, working together as teams and participate in various competitions. It will also serve to provide the students a platform to excel in their specialized area of interest.

Mission Innovation Cell:

To create a platform for students to improve cognitive talents and a lively inventive atmosphere in the Institute.

Vision Innovation Cell (As laid down by the MoE, Govt. of India)

- To conduct various innovation and entrepreneurship-related activities in time bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.

Initiatives and Activities of IIC:

- The goal is to develop a thriving local innovation ecosystem.
- In HEIs, there is a mechanism that helps new businesses get off the ground.
- Prepare the institute for the ATAL Institutional Ranking Framework for Innovation Achievements.
- Create a function ecosystem for idea scouting and pre-incubation.
- Students in technology should improve their cognitive abilities.
- It aims to enable students to acquire knowledge through practical learning experience and apply that knowledge to prepare electronic model/circuits for various technical purposes.

Institution's Innovation Cell Member Details:

Media Cell

The Media Cell is the practice of managing the spread of information about Our Institution's mission, policies and practices in a positive, consistent and credible manner to the Public through Media relations. And Media Committee directly interact organization's Management members regarding critical Internal and External Organizational events and report these events with editors, reporters and journalists. The media can be newspapers, radio, television and Social Media.

Basic Functions of the Committee:

- To send advertisements, news items about the functions or events organised in the college to the dailies and get the news published.
- To bring reporters to the college through invitations or by phone to provide coverage about the functions or events organized in the college.
- To make promotional activities about the college such as printing of pamphlets or brochures in attractive way and to distribute those to the public and students as and when required.

Media Cell Member Details:

STUDENTS INDUCTION PROGRAMME (SIP)

INTRODUCTION:

Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations.

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Student Induction Programme engages with the new students as soon as they come into the institution; before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed.

Students Induction could cover a number of different aspects (SAGE):

- Socializing: meeting other new students, senior students, students union, Lectures by Eminent People;
- Associating: visits to University / college, visits to Dept./Branch/ Programme of study & important places on campus, local area, city and so on;
- Governing: rules and regulations, student support etc.
- Experiencing: Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.

OBJECTIVES:

- It is mandatory for all the fresh students admitted in any UG Degree Programme offered by the college.
- To help the students feel comfortable in the new environment and adjust to the customs and practices of the college.
- To enable the students to become familiar with the amenities and accessing the intellectual and physical resources of the institutions
- The main aim of the programme is to instil the ideas, practices and spirit of St. Thomas College and its unique features.
- To enable the students to understand and have better relationship with the faculty members for setting the pace of fruitful teaching learning experiences.
- To create comfortable environment to the newly admitted students to approach faculty mentor when facing any academic, financial and psychological problems through the well-structured Mentor Mentee network.

Green and Eco friendly campus which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment

Sri Vasavi Kanyaka Parameswari Polytechnic, Cumbum has prepared a “Green Campus, Energy and Environment Policy for further strengthening of Green and Eco friendly campus which focuses on energy efficiency by preserving natural resources for healthy living and a good learning environment “ of the institution.

Scope of the policy:

The Green Campus, Energy and Environment Policies will develop exciting new co-curricular and extracurricular practices that encourage students to take the lead in creating positive change. These initiatives call for a thorough review of all infrastructural, administrative functions from the standpoints of energy efficiency, sustainability and the environment.

The focus areas of the policy:

Clean Campus Initiatives, Landscaping Initiatives, Clean Air Initiatives, Smoking Free Campus, Infrastructure, Solar Power Plant, Installation of Energy Efficiency Equipment, Water Conservation through Rainwater Harvesting System, Waste Management processes, Solid Waste Management, Liquid Waste Management, E- Waste Management, Awareness Initiatives, Environment-centric Student Societies and Department Activities, Green Audit, Energy Audit, Plastic-Free Campus, etc.

Objectives of the policy:

- The College is striving to develop its institution on a self - sustainable basis in the areas of power, water and cleanliness.
- The faculty, staff and students have to contribute collectively to develop an eco- friendly sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.
- Awareness creations about environmental issues among students and employees including climate change.
- Measure and reduce environmental emissions/footprints.

Waste management:

- To increase the green cover and around the campus.
- Take appropriate actions to reduce or recycle municipal waste inside the campus.
- To manage, collect and dispose -waste appropriately.
- To reduce hazardous waste and its management.
- Actions taken to reduce consumption of plastic in the campus.
- To encourage paperless work culture and recycling/reuse of paper.
- Display waste management instructions/alerts at prominent/relevant locations in the campus

Climate change:

- Suitable action taken to reduce greenhouse gas emissions due to energy consumption
- Use of energy efficient lamps/sensor based lamps where ever possible like corridors, toilets etc.

- Use of energy efficient equipment's in laboratories/ classrooms/ canteen, this can range from air – conditioners, refrigerators, condensers etc.
- Monitoring the entry of vehicles in the college in terms of their fuel efficiency/hybrid/battery operated vehicles.
- Promoting the use of public transport.
- To establish a system for preparing college emissions/environmental inventory.
- Creating awareness by organizing seminars, debates, activities related to climate change, environmental protection, and environmental issues.
- Promoting some projects/experiments in the education system as part of regular curriculum which is related to environmental aspects.
- Action stake to reduce Greenhouse Gas (GHG) emissions.
- To encourage the concept of green brigades as to maximize the student's involvement.
